

Dr. Scarlett Lewitschnig

PRICE LIST 2026

THYROID CONSULTATION

EUR 140,--

Comprehensive thyroid examination including medical history, review of existing findings, and ultrasound to assess size and structure. Ideal for initial examination or follow-up. Blood tests are performed separately if needed and will be billed separately.

BLOOD TEST FOR THYROID LEVELS

from EUR 40,--

Blood tests are performed to assess important health parameters, particularly thyroid function. The results are analyzed quickly and efficiently to optimize treatment planning. Laboratory services are billed separately, depending on the scope of the tests.

MENOPAUSE CONSULTATION

EUR 140,--

FOLLOW-UP MENOPAUSE CONSULTATION
